**DOCTOR WHO CELEBRATES 50<sup>TH</sup> ANNIVERSARY AT  
VIVID SYDNEY**

NSW Deputy Premier and Minister for Trade and Investment, Andrew Stoner, today announced Vivid Sydney 2013 will feature a spectacular celebration of the 50<sup>th</sup> Anniversary of the legendary BBC television program, Doctor Who.

Mr Stoner said on Saturday 1 June, the grand façade of Customs House at Circular Quay will showcase an amazing visual feast of 3D-mapped projections of Doctor Who as he travels through space and time, pursued by some of his greatest enemies.

“This is a one-night only celebration of the 50<sup>th</sup> Anniversary of Dr Who, and sees Australian creative innovators, The Spinifex Group, working with the Doctor Who team to create projections that will deliver a show-stopping, unique birthday celebration for Dr Who’s legion of fans,” Mr Stoner said.

Destination NSW CEO, Sandra Chipchase, said: “Our goal is to ensure Vivid Sydney surprises every year, and the 2013 program will certainly delight festivalgoers of all ages. The Doctor Who projections will entertain audiences ranging from dedicated science-fiction fans through to every family who has ever enjoyed an episode together.”

The Dr Who projections will be displayed at six intervals throughout the evening of Saturday June 1, featuring music from the TV show including *I am the Doctor* and the iconic theme tune. The first Doctor Who projection will be shown at 6.50pm, then 10 minutes to every hour until midnight.

The projections will be interspersed with *Move Your Building*, an interactive projection produced by French design company Danny Rose, which will be beamed upon Customs House over the 18 nights of Vivid Sydney.

In addition to the special projection on Customs House, Doctor Who fans will also be able to take in special cinema screenings at nearby Dendy Opera Quays, featuring two thrilling episodes from Series Seven Part 1: *Asylum of the Daleks* and *The Angels Take Manhattan*, which see the Doctor confront two of his most terrifying foes – the Daleks and the Weeping Angels - and say a heart-breaking farewell to his companions Amy and Rory Pond.

There will also be a competition encouraging fans to submit a picture of themselves dressed as their favourite Doctor Who character to win a fantastic prize pack of Doctor Who themed merchandise.

Sharon Wilson, Head of Marketing, Global Brands, BBC Worldwide Australia and New Zealand, said: "We are delighted to partner with Destination NSW and Vivid Sydney to bring this unique night of Doctor Who entertainment to life in Sydney.

"Vivid Sydney is the perfect platform for this Anniversary celebration, which will see the Doctor projected 7m high onto one of the city's most historic buildings. The Spinifex Group has done a tremendous job of creating a display which makes the most of Customs House's amazing façade."

Fans unable to travel to Sydney for the 50<sup>th</sup> Anniversary celebrations will still be able to join in the festivities at simultaneous screenings at 46 Dendy and Event cinemas around Australia and New Zealand.
